*May 10th, 2020 - geoff dyer s delightful answer in the ongoing
moment is to write about photography photographically which is to
say as a series of stills each entirely self contained and at the same
time each'*

current vs ongoing what s the difference wikidiff
**May 22nd, 2020 - as nouns the difference between current and
ongoing is that current is the part of a fluid that moves
continuously in a certain direction while ongoing is something
that is going on a happening as adjectives the difference
between current and ongoing is that current is existing or
occurring at the moment while ongoing is continuing
