explain why being terrified
can thrill and excite and
what that says about our
culture facebook'**

**'why do i look different in
pictures how mirrors lie to
you**

May 27th, 2020 - perhaps the
reason you look different in
pictures is because the version
of yourself you like best is a
figment of your imagination
according to a 2008 study
people tend to think they re
more attractive than they
really are'

***'sound the science of waves
how they travel how we use
them***

*May 27th, 2020 - robert boyle
s classic experiment the first
person to discover that sound
needs a medium was a
brilliant english scientist*

*known as robert boyle 1627
1691 he carried out a classic
experiment that you ve
probably done yourself in
school he set an alarm clock
ringing placed it inside a
large glass jar and while the
clock was still ringing sucked
all the air out with a
pump"why don t students like
school well duhhhh*

*April 16th, 2020 - talk about
avoiding the elephant in the
room ask any schoolchild why
they don t like school and they
ll tell you school is prison they
may not use those words
because they re too polite or'*

***'why do we get emotional
chills here s the science
behind***

*May 25th, 2020 - so there you
have it that s why you get a
chill whenever you experience
something beautiful now if
you ll excuse me i have some
music to go listen to images*

nickolai kashirin flickr'

**'why are women into dude
butts we asked science mtv
May 27th, 2020 - a flat butt
is no good according to
science sorry hank hill but a
steroid butt is no good either
if it puts the max in gluteus
maximus sorry powdered
toast man i like the
goldilocks'**

arguing about what
direction the toilet paper
faces editor s note it s over
not under whether or not a
person uses a top sheet
hardly matters as long as
you wash your'
'*ozone generator what
manufacturers don t tell you***

May 27th, 2020 - ozone generators produce ozone by breaking apart oxygen O_2 molecules into single atoms which then attach to other oxygen molecules in the air to form ozone O_3 they accomplish this in one of two ways according to the international association of certified indoor air consultants internachi ozone generators work by silent corona discharge these machines use electric discharge to'

'10 reasons why photography sucks and isn't an art form

May 25th, 2020 - anyway art is a matter of opinion yes anyone can take a good pic with a point and shoot as long as there are ppl who like it and or got a feeling from it it can be called art even good art if the photographer is real lucky

**maybe that pic will be the
only good pic this person
takes but it doesn't change
the fact that if it's a good pic
taken by a point and shoot it
is still a good'**
