'old new and post testament graphic arts

March 30th, 2020 - xu bing created three hundred specially printed and bound volumes that in appearance look like weighty tomes of literary significance the content of the books however presents quite a different story a strange hybrid text which the artist created by bining the king james version of the new testament with that of a trashy contemporary novel through alternating each word of the texts"**interview xu bing time out shanghai**

May 5th, 2020 - xu left china in 1990 for new york city a move

that he says was necessary at that time for someone interested in contemporary art there he created square words 1994 96 a kind of inverted pinyin that makes english words look more chinese by arranging them in chinese style formations'

'the art of xu bing words without meaning meaning

November 21st, 2019 - the result was the book from the sky a powerful installation of books scrolls and panels for which xu bing invented hundreds of new characters in the late 1980s this uneasy play between the familiar and the unknown these words without meaning caused an uproar in beijing art munity and led the chinese government to censor xu bing and his art'

'square word calligraphy quotations from chairman mao

May 16th, 2020 - here xu quotes chairman mao s talks at the yanan forum on literature and art held in 1942 in which mao defined the future role of art and artists under munist party rule the installation includes quotes translated into english and transformed into xu bing s self created square word calligraphy that can be easily deciphered by western readers'
