---

---

programming nlp is a method for controlling people's minds that was invented by Richard Bandler and John Grinder in the 1970s. It became popular in the psychoanalytic, occult, and New Age worlds in the 1980s and advertising, marketing, and politics in the 1990s and 2000s. It's been so interwoven with how people are that it's become a part of our lives.
