*photographed in florida s wild locations for over 20 years we will travel to a variety of natural habitats we will be visiting several a locations they include classics like sanibel island the everglades big cypress national reserve and estero lagoon''***florida s hidden wild outdoor photographer**

May 29th, 2020 - florida s longest river and second largest watershed next to the everglades the upper st johns is largely protected by a patchwork of public lands and private ranches one of my favorite places is

little big econ state forest where
picturesque palms rise above the floodplain
and line the waterways at the confluence
where the econlockhatchee river meets the st
johns'
