think of my son every minute of every day
writing about my journey and about him helps
me relieve the pumped up feelings inside me i
write to honor him i also write so perhaps those
in the same situation as me know they are not
alone and there is a voice for them"**read why
do we hug each other online free 30 day trial**

May 12th, 2020 - a brief warm morning hug with
someone we love provides us with a protective
layer insulating us from the stress of the day and
according to karen grewen of the university of
north carolina at chapel hill if a couple holds
hands and hugs for 20 seconds before leaving
the house in the morning their stress index will
be only half that of couples who do not do this'
