'human anatomy fundamentals mastering facial expressions

*May 23rd, 2020 - in drawing facial expressions one has to deal with the dichotomy of reality versus representation just like theatre actors have to support their acting with more gesticulation and theatrical speech than usual because normal facial expressions can t be easily seen by the audience so do we have to bypass what a sad face would look like and aim for what facial clues would be read as sadness"***scott mccloud journal archive making faces**

May 26th, 2020 - the grimace project is a freakishly cool facial expression generator that came out a few weeks ago in which you can mix and match any two of the six emotional primaries that i charted in chapter 2 of making ics the project es out of the vienna university of technology under the guidance of peter purgathofer the team kindly acknowledges me but credit is equally due to my own"**collectorholics net**
