1891 by Cecil Rhodes and Alfred Milner. Quigley notes that the organization was so modified and so expanded by Milner after the eclipse of Rhodes in 1899 and especially after the death of Rhodes in 1902 that it took on quite a different organization and character although it is 'Anglo-American PLC Company History'.
June 5th, 2020 - Anglo American became one of the world's largest mining and natural resources companies with an array of interests in gold, platinum and diamonds and a central presence in coal, base and ferrous metals, industrial minerals and forest products.
