***'8 ways television is influencing theater
howlround***

May 31st, 2020 - one disturbing trend that i have seen in recent years in terms of how television is influencing theater is the sheer number of of new plays that have the structure of television pilots in the sense that their primary purpose seems to introduce the characters and run them through a fairly inconsequential story while others seem to be built as an outline of a season 1 story arc with the idea'
