law and literature

June 7th, 2020 - the law and
literature movement focuses on
the interdisciplinary connection
between law and literature this
field has roots in two major
developments in the intellectual
history of law first the growing
doubt about whether law in
isolation is a source of value
and meaning or whether it must be
plugged into a large cultural or
philosophical or social science
context to give it value and 'law
and imagination in troubled times
