'history of formula one regulations

May 22nd, 2020 - although formula one races had been taking place since 1948 it was not until 1950 that the world championship was established safety was almost a non issue in the first 10 years of racing and technological progress was extremely slow pared to modern standards all of the circuits that formula one raced on in the 1950s had no safety features the general mentality was that death was an'
