**'customer reviews no bad kids toddler
March 27th, 2020 - first and foremost no
bad kids provides perspective on why
children especially toddlers behave as
they do and what they are trying to
municate by their behavior they are not
adults and their brains do not work in**

the same way adult brains do toddlers are basically controlled by their emotions and feelings and easily be overwhelmed they have trouble communicating clearly and are often frustrated by this limitation''no bad kids questions about tantrums mealtimes and
