*June 2nd, 2020 - if you love
photography this is a must read
whether on the dear photograph
tumblr or in its book format the
project is a moving tribute to the
art of photography using photos
taken by everyday people sharing
memories through old family photos
and the changing backgrounds of the
current world'*

**'dear photograph etsy
journal**

**May 22nd, 2020 - the dear photograph
project s premise seems so elemental
it could easily transition into a
mantra take a picture of a picture
from the past in the present taylor
jones the creator of dear photograph
is a 21 year old ontarian who
stumbled on the idea for this tumblr
when he was sitting at his family s
kitchen table sifting through old
photographs'**

'dear photograph odd amp bizzare

**May 2nd, 2020 - dear photograph is
therefore a website that features
people holding up old pictures of
themselves their families past
memories that were taken in the
exact spot years ago people share
their stories travelling into the
past through pre digital photographs
also some of the best photos are
piled in a book'**
