**April 1st, 2020 - realbasic the  
definitive guide is a must  
have reference to the  
realbasic language possibly  
more plete than real software  
s own documentation while it  
is a great beginning guide for  
the experienced programmer  
who is new to realbasic the

realbasic the definitive guide  
2nd edition was released over  
four years ago in 2001 it was  
current and truly the  
definitive book on realbasic it  
still is though that isn t the  
praise you might think the  
folks at realsoftware are  
constantly improving the  
language and the definitive  
guide was outdated by 2003'
