June 5th, 2020 - the
one thing needful
evidently is that
which mary chose
that good part which
should not be taken
away from her very
clearly this was to
sit at jesus feet
and hear his word
this and nothing
less this and
nothing more the
mere posture of
sitting down and
listening to the
saviour s word was
nothing in itself it
was that which it
indicated''sitting

June 3rd, 2020 -
sitting at the feet
of rabbi jesus is a
fascinating book
exploring the jewish
background of the
bible and the first
century jewish
context of jesus it
is more devotional
than academic in
style true to its
subtitle how the
jewishness of jesus
can transform your
faith and it is more
broad than deep in
substance making
connections between
old new testaments
judaism christianity
and the early church
etc as well as
between the jewish
customs and culture
to jesus
specifically'
