shlomit chayat goodreads
May 30th, 2020 - i will say this for hebrew from
scratch i think having students encounter
strange words and phrases and making them
decipher them from either context cues or
looking them up is a technique that leads to a
stronger more confident grasp of a language in
the long run at the same time this is a text
that requires a teacher to explain the basics
rather than a tool students can use for'
