'Some Thoughts on a Big Word: Myth, American Indians in

May 24th, 2020 - I think legend is more mostly applied to one's own culture, as in the legend of King Arthur or Robin Hood. Myth is a label given to something not of one's own culture. Personally, I would never use it to label the beliefs of a specific, currently living person, but my lack of knowledge about other cultures makes it difficult to apply in a general sense."
