mickle reviews

May 26th, 2020 - an endless y of

twists amp turns that begins amp

ends with a bullet being fired cold

in july isn t an easy film to pin into

any genre because it starts as one

thing then changes its course

around the middle seems to be

heading in the direction you

predicted but once again takes an

unexpected turn to be something

else entirely set in 1989 texas the

film tells the story of a local'

'cold in july movie review amp film summary 2014 roger ebert

June 3rd, 2020 - cold in july is about emasculated tough guys that don't know how they fit in a massive conspiracy involving local texas police the dixie mafia and don johnson note johnson sadly does not play himself it's a dark funny neo noir about being macho helpless and texan that needs to be played as straight as possible in order to accent its inherently seedy and disturbing content"*cold in july reviews metacritic*

June 1st, 2020 - cold in july is not as strong as his masterwork stakeland but it haunts with its brooding tone and sense of sadness cold in july is anchored by three wonderful performances from michael c hall sam shephard and especially the amazing don johnson who is at his best mickle isolates his characters in a world that is never what it seems'
