*from the library of bitch six plays by lillian hellman*

*April 17th, 2020 - lillian hellman ultimately was a woman at once  
of her time and before it the social and political climate around  
her that served to censor her love of scandal also made her famous  
for it this collection of her plays is a successful attempt to  
present a picture of a larger than life woman through the art she  
created'*
